Keeping the Faith Foundation

would like to thank all those who participated in our previous five golf outings in honor of our father, Tom Laffey. Thanks in large part to your efforts, the Keeping The Faith Foundation has been able to donate approximately \$50,000 to the families of US Army National Guardsmen Christopher Duffy, Samuel Nutter, Howard Gwin, Robert McGuire and Timothy Marvian. Because of our father's love for our country and respect for those who serve in the military, we pledge to continue to assist the families of the US Army National Guard as our way of saying thank you for all you do. We encourage all of you who have participated in the past to be involved in this year's worthy cause.

Thanks!

This year all profits will be donated to the family of
**NJ Army National Guardsman,
SGT Aponte**

SGT Aponte is currently deployed with forward elements of Company A in support of Operation Iraqi Freedom in Iraq. SGT Aponte has been mobilized since June and in the Theater since September. However in August, the Aponte home on 20 Newark Street, Newark, New Jersey was struck by lightning causing the house to catch on fire. Although the fire department responded timely and was able to put out the fire, there was damage to the roof and water damage to the interior of the home. The Aponte family could not remain in the house and since August has been living in an apartment. Repairs to the house are incomplete because the Aponte family was not able to afford insurance on the house, and the cost of relocation, rent, and the replacement of personal items lost in the fire has taken up all the family's financial resources. The Aponte family desires to return to the 20 Newark Street residence with SGT Aponte upon his return from the current mobilization.
